Dear Harold:

Heard from Gary Schoener today and he says he has nothing in his "nut" file re: Mr. Putt but adds that Putt might be part of Nashville or Birmingham files. Meanwhile he has written off to Archives for a check their as well.

I talked to Jerry Hemming last night and he would like you to send him copies of any official material relating to him and Howard Davis. I told him you advised that there was nothing on Lethbridge. I also said that you wanted a photo of Morejon (or aliases) and he said he could only turn up a fellow by the name of Ed Mor (pronounced Moore). He said he is a well known chap and not the one youm were interested in.

Regards,

AK
